**About Skin Elements**

Skin Elements is an ASX-listed skin care company focused on the development of natural and organic skin care products, as an alternative to current chemical-based products. It has developed a portfolio of products which includes its lead product, the Soléo Organics 100% natural and organic sunscreen, pawpaw based PapayaActiv natural therapeutic skincare, and the Elizabeth Jane Natural Cosmetics brand. The Company has completed a highly successful test marketing phase in major international markets for Soléo Organics and has regulatory approval with the USA FDA, TGA and other significant regulators. Skin Elements aims to become the number one recognised national and international sunscreen brand.
